To Whom It May Concern:

YES I do think Mitchell should be included, in gaining 4VL, as we have a Business in Mitchell. We have a lot of customers in the west and would like to hear what is going on in the south west.

When we advertise we would all so like to hear the advertisement that we have put on air, so we can change it if we do not like it.

We all so have a lot of family and friends in the south west and feel quite terrible when they talk about something that we have not heard of, Which we would have if we could listen to 4VL.
