RE: Community Radio Station FM 96.3

TO WHOM IT MAY CONCERN:

Dear Sir / Madam,

On behalf of the Rugby League Community of Gundagai and surrounding districts, I write this letter in support radio station FM 96.3 and their attempts to extend their broadcast to the Gundagai area.

Our sport alone generates large interest amongst our community members. Many of those community members rely on electronic media as their main source of communication and information. Not only will our community benefit, but so too would the Gundagai Rugby League Club.

As many people are disadvantaged due to age, isolation and other disabilities, the extension of radio broadcast would allow the Gundagai community to remain in touch with all issues that concern them.

I cannot identify any reason why the broadcast license should not be extended and strongly support any extension of broadcast by Radio FM 96.3 to the Gundagai region.

Yours Sincerely,

[Signature]

Steve Rose.
