The Manager
Draft LAP Variation – Wagga Wagga
Australian Broadcasting Authority
PO Box 34
BELCONNEN ACT 2616

Dear Sir

Revised Draft Variation to Wagga Wagga Radio Licence Area
File Reference 2002/0782

Council’s Communications Committee at its meeting held on Monday, 13th February endorsed the proposal to “provide two FM transmitters for the community radio service 2 TVR Tumut to extend its service to the townships of Gundagai and Talbingo.”

Council and its committee consider that FM 96.3 Sounds of the Mountains (2 TVR Tumut) is a very important communication service locally for Tumut, Talbingo, Gundagai plus Adelong, Batlow and Cabramurra, particularly in times of emergency such as the bush fire season (summer period) and for road conditions during the winter (black ice and heavy snow in the Snowy Mountains Highway south of Tumut and Talbingo).

The local community is now very dependent upon the radio service provided by Community Radio 2TVR Tumut.

Yours faithfully
